Dear Friend,

It is an exciting time for the Westmoreland Choral Society and Westmoreland Children's Chorus as we embark on our 2014-2015 Season "Festivals". This season, I believe is our most innovative and creative season to date and features collaborations and pairings that will delight and engage you as you attend our concerts! From the Faure Requiem with Bodiography Contemporary Ballet, our new recording and concert at Carnegie Music Hall with the River City Brass, A Moravian Love Feast of Sacred Music, and our Story of the Italian American, this season has festival after festival of musical treasures!

To achieve the success of this concert season, we need your continued presence and support. Please be sure to spread the good news of the work of the Westmoreland Choral Society with your friends and families and invite them to our performances. Secondly, I would encourage you to make a financial contribution to support our upcoming season. Your contribution will allow the continued growth and efforts of the Westmoreland Choral Society in the years to come.

Thomas Octave, Musical Director
